

Rotarian Trip to Cambodia

February 20 - March 3, 2027

Summary of the Trip:

This **12-day excursion** is a truly unique experience of traveling into Cambodia. Located in Southeast Asia, this beautiful country is rich with history and culture, and this trip will be much richer and more meaningful than a mere tourist trip. We will travel to unique places in Cambodia including the heart of Cambodia, Phnom Penh, and we will walk amongst the ancient temples of Siem Reap. But tourism is not the sole purpose of this trip. We will go far off the “tourist routes” to visit village families and experience the impact of Rotary projects in the remote villages of Pursat Province. For those who haven’t gone before, you will have the adventure of a lifetime while helping rural families and children in ways you may have never dreamed possible.
